
Breast Cancer Journal Accepting Case Reports

[Journal of Breast Cancer Case Reports \(JBCCR\)](#) is an international, peer-reviewed open-access journal currently accepting case reports in all areas of breast oncology and clinical research. We welcome submissions describing rare presentations, diagnostic challenges, therapeutic innovations, and surgical outcomes that contribute to advancing breast cancer care.

JBCCR provides a reliable platform for clinicians, oncologists, radiologists, and researchers to share valuable real-world experiences. Each manuscript undergoes rigorous peer review and rapid publication to ensure timely dissemination of new clinical knowledge.

Authors benefit from global visibility, indexed archiving, and free online access to their published work, reaching a worldwide audience of breast cancer specialists and healthcare professionals.

Submit your manuscript today and join a growing network of experts dedicated to improving outcomes in breast oncology research and practice.

Manuscript Submission

Authors are requested to submit their manuscript by using Online Manuscript Submission Portal:
