
Lung Cancer Case Reports Submission Journal

Authors searching for a lung cancer case reports submission journal will find the Journal of Lung Cancer Case Reports to be a focused and accessible publishing option. The journal accepts original case reports and case series that contribute to clinical knowledge in lung cancer diagnosis and treatment. Submissions addressing thoracic imaging, pathology, molecular diagnostics, targeted therapies, immunotherapy, and surgical oncology are encouraged. A streamlined submission process and structured peer review ensure timely editorial decisions while maintaining academic rigor. As an open-access journal, published lung cancer case reports are freely available worldwide, maximizing research visibility and clinical impact.

Manuscript Submission

Authors are requested to submit their manuscript by using Online Manuscript Submission Portal:
